Cannot be changed after creation

productos

Public bucket

Allow anyone to read objects without authorization

Public buckets are not protected

Users can read objects in public buckets without any authorization. Row level security (RLS) policies are still required for other operations such as object uploads and deletes.

Marca la opción **Public** si quieres que las imágenes se puedan ver mediante una URL directa.

Restrict file size

Prevent uploading of files larger than a specified limit

Restrict MIME types

Allow only certain types of files to be uploaded
